

| ABOUT US

KM Power and Fire Solution is a leading MSME business provider in the extensive range of power, IT hard wares and fire safety solution for manufacturing, hospitality, commercial & industrial organization.

We are emerging & significantly establishing ourselves as reliable and sustainable company in the market with excellent customer feedback from valued partners in Delhi & NCR.

We understand the criticality of power backup systems for businesses and industries, and hence, we ensure that our services are tailored to address the specific requirements of our clients. Whether it is a small office setup or a large-scale industrial unit, we have the expertise to handle projects of all sizes.

Our team of professionals is well-versed in battery technology and provides expert guidance to our clients to help them choose the right battery solution based on their power backup needs.

At KM Power and Fire Solutions, we prioritize customer satisfaction with vision "Making Brighter & Safer Tomorrow" and strive to deliver superior quality services. Our dedicated team of technicians is trained to handle all types of UPS and battery systems, ensuring prompt and efficient service. We believe in building long-term relationships with our clients and therefore, offer reliable and cost-effective solutions that cater to their specific requirements.

We are also providing Safety and Firefighting product, services adhering to highest safety standards to safeguard lives & critical equipment in order to avoid loss of life, property and environment with advance and reliable technology advancements.

We offer a comprehensive range of services, including installation, maintenance, and repair, to ensure uninterrupted power supply for businesses and industries. With our expertise, dedication, and commitment to customer satisfaction, we are the preferred choice for reliable power backup solutions.
